

**Rega P8****\$2995 (\$4295 with Apheta 2 moving-coil cartridge)**

The RP8 brings new levels of transparency, fine detail, soundstage definition, and drive to the always engaging (now more so) Rega sound, along with a tonal richness, weight, and dynamic thrust never before experienced from any Rega design. One of the best mid-priced record players on the market. WG, 234
